

17 & 19 RIVER ST.

Chicago, Dec. 23, 02

Dear Faith:

I received your letter concerning the Fountain Pens. It will be no trouble at all to get the pens for you.

I send you a catalogue of pens which will give you an idea of styles.

The exact pen is not made now - but something practically the same, we can furnish. Pen #1 ~~#1~~ will cost \$1.25.

You may take 40% off on ^(the printed price of) any pen in the list. We have a \$1.00 pen that we use in the office that is "all-right." - They are all black except No. 4. I think they are all good.

We wish you all a happy New Year.

Your cousin

J. B. Cook.

P.S. - If you will tell me what pens you select I will send them right away. You can pay me next term, if that will be more convenient.
